

## About us

Welcome to our award winning tearoom. We are a family run business which was first established in 1952. We are proud to offer a menu using mainly Cornish and West Country produce as well as our own organic meat from the family farm, vegetables, fruit and herbs as available from the kitchen garden. We hope that this will guarantee a future for our farmers and producers, and give you our valued customer the best possible taste of the West Country and the delights of our traditional tearooms.

We bake many of our products in the farmhouse kitchen using recipes passed down through the family and have been honoured to have received the prestigious Taste of the West Gold Award and the Trip Advisor Award of Excellence.

The farmhouse has a long history and was first documented in 1296 at which time it was attached to the monks of the order of St John of Bridgewater. Legend has it that there is a secret underground passage from the house to the church or cliffs which may have been used in the days of the smugglers! We hope you experience the atmosphere of our home which we feel evokes visions of its long history.

We are just a 10 minute walk from some of the most stunning coastal scenery and the famous Hawker's Hut built into the side of the cliff which looks out across the dramatic Atlantic Ocean. Do also visit the ancient church of St. John the Baptist adjacent to the tearooms.

Our experienced staff, not only take pride in the service they give but are proud of the good reputation of the tearooms.

As all food is freshly prepared to order, there may be a wait during busy periods, so please relax and enjoy the atmosphere.

*Please let us know when you order if you wish to pay separately.*
